We will send you the new cinema and live events programmes when they are issued so you know 'What's On'.

People who support the arts

The Flavel is an educational charity and we have an exciting programme of live arts events for all ages, including a broad range of music, theatre, workshops and speakers. There is a regular cinema program showing the latest films. Throughout the year there are displays of work by local artists.

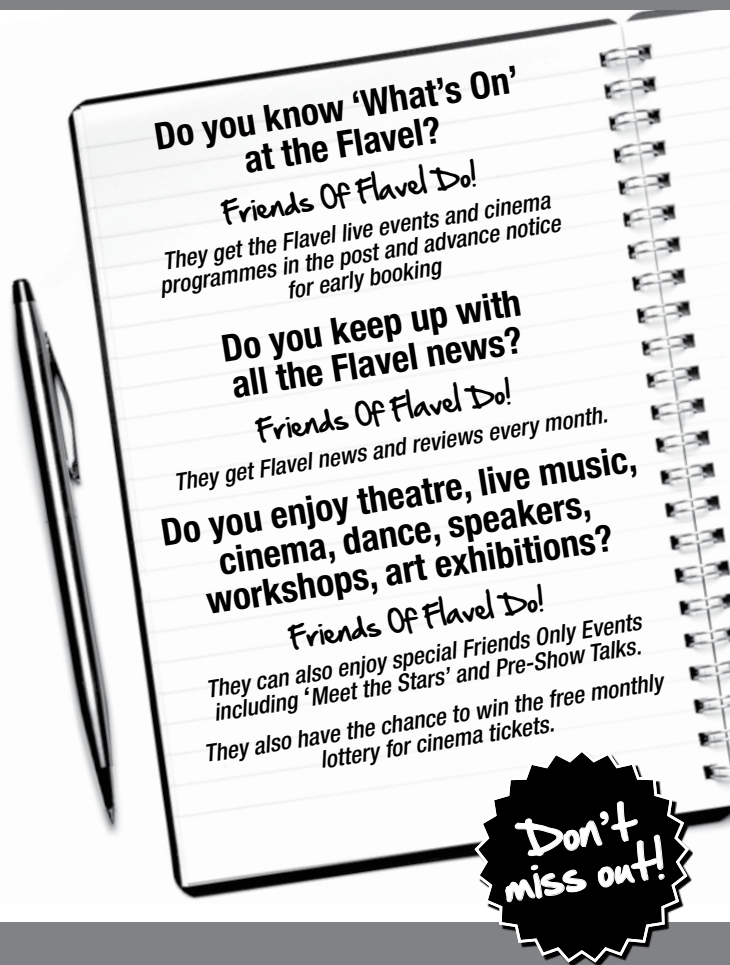

People who care about the community

The Flavel is a multi-purpose arts and community centre for Dartmouth that is accessible to everyone. It contains a multi-functional hall and two other meeting rooms available for hire by local organisations, individuals and businesses. On the ground floor of the Flavel are the town's multi-media library and learning centre, and the popular Saveurs' Café. All are accessible to wheelchair users.
